FAMI is the only Italian company to produce containers approved by the "Odette" European commission. They have the following features:

- 8 different automatic handling systems;
- tough ergonomic handles;
- good ratio between external volume and useful volume;
- reinforced and structured bottom for easy sliding along all kinds of roller conveyors;
- 2 label holders for A5 "bar code" labels in "Odette" standard;
- high level of safety (coefficient 3 measured in various crash tests).
